EZ Rent Solution

Simple - Fast - Secure - Accurate - Flexible - Installs in Minutes
Expandable to Control Electrical, Gas & Water shutoff

Your EZ solution if you own an Apartment/Chalet/Studio for rent, and if you are looking to manage it ONLINE with full remote booking, control and commodities monitoring abilities

The unique “**EasyRent**” solution saves all unnecessary travel/agent/commission expenses and avoids exposing you to the pandemic! Easy booking operation:

3 EZ Steps:

1. Open the App then provide your guest through mobile a limited access code (from date/time to date/time)
2. Water/electricity/gas sources will be automatically activated
3. Once booking is expired water/electricity/gas/access code will be automatically deactivated
4. Provide the cleaning staff through mobile a limited access code (from ... to) for multiple times or X time usage ++
